firms and foreign investors and marketers, inevitably faces guanxi dynamics. In ChinaOCO's new, fast-paced business environment, guanxi has been more entrenched than ever, heavily influencing Chinese social behavior and business practice. However, as in other emerging economies, corruption in China is

becoming more rampant, which makes guanxi and corruption often intermingled. As such, business executives need to place greater caution today in the practice and process of guanxi development and utilization. Due to the growing academic and practical interest in guanxi, this second edition provides a timely update to
