**Book Manual**  
Are a seasoned veteran or a four-wheeling novice, you will find the information you need to maximize your enjoyment of your next off-road excursion. Author and four-wheeling experts Jim Allen and James Weber begin with a primer on emergency preparedness before combing through all considerations you should take aboard, from trail etiquette to the latest technologies. Allen and Weber explain the concepts of four-wheel-drive systems in easy-to-understand terms and go on to suggest modifications to make off-road rigs more capable, comfortable, and dependable for intended
