An Amish Heart (My Amish Home) by Diana Morgan (9781502317766) "An Amish Heart" is a must read. I truly enjoyed reading this book about a daughter that had left home and then returned. The emotions in this book are true of all families that have dealt with a member leaving due to a disaster. The story is told from the returning daughters perspective and shows her growth in faith and maturity.

In the tradition of Kate Jacobs and Lolly Winston comes a deeply felt, utterly charming novel of three newfound friends and the unexpected gift that will change their lives. In the quiet community of Avalon, Illinois, Julia Everts wonders how to move on with her life. Though her husband and five-year-old daughter give her an abundance of love, Julia still reels from a tragedy that has left her estranged from the sister who was once her best friend. Meanwhile, across town, widow Madeleine Davis takes great pleasure in serving up delectable treats and cozy comforts at her tea salon—now, if only she had some customers to enjoy them. And famed concert cellist and recent Avalon transplant Hannah de Brisay finds herself at a crossroads when her career and marriage come to abrupt ends. The three strangers forge a friendship at Madeleine's Tea Shop, and soon their camaraderie extends to everyone in Avalon in the guise of a unique and wonderful gift. But even as Julia becomes ever closer to her new friends, she realizes the profound necessity of confronting the painful past she shares with her sister. Life and loss, friendship and community, food and family: Friendship Bread tells a spirited, remarkably moving tale about the triumph of hope. Praise for Friendship Bread "The novel traces the effect of the friendship bread on a small town, jumping from neighbor to neighbor, but focuses on a small group of women whose lives need mending... Gee admirably weaves the various lives together... and demonstrates that simple companionship is a powerful balm. A satisfying first novel by Gee, perfect for the book-club circuit and beyond." —Kirkus Reviews "This entertaining series debut by Gee (who also writes as Mia King) will appeal to fans of tearjerkers like Kristin Hannah's Winter Garden or novels dealing with the loss of a family member, such as Lolly Winston's Good Grief. It's also ideal for book clubs and readers who like stories about small-town life; it expertly weaves together numerous characters and narratives and even includes recipes and directions for making friendship bread." —Library Journal "Deliciously entertaining! You'll root all the way as these characters stumble toward forgiveness, understanding, and, ultimately, celebration. A perfect book club selection, Friendship Bread is a treat worth sharing with all the women in your life." —Kate Jacobs, New York Times bestselling author of The Friday Night Knitting Club

From USA Today bestselling author Laura Bradford comes a poignant, uplifting novel about an investigative reporter who will do anything to nail a story—until her world comes crashing down—landing her on assignment in Pennsylvania's Amish country, where she's forced to re-think her priorities, and her life. Tess Baker thought she had the perfect everything—until her best friend, and (now ex) husband, betrayed her, leaving her with nothing, except her career as an investigative reporter. In her work for a leading magazine, Tess can lose herself in whatever story she's chasing. So she's devastated when her next assignment is far from the exciting location or action-packed quest she anticipated. Thanks to a recent mistep, Tess is handed a bus ticket to Pennsylvania—to Amish country. The story? Write about living in the past in a modern-day world. Determined to prove herself by coming up with something juicier than a run-of-the-mill human-interest piece, Tess makes her way through this strange place, digging for dirt... Yet no matter where she turns, scandal eludes her. Instead, Tess encounters kindness and grace, even striking up unexpected friendships with women who bear a wisdom and capacity for forgiveness she can't imagine. It's only when she meets eighty-something Miss Lottie, beloved by the community even after decades away, that Tess realizes she may have hit upon the story she was looking for. But can she betray the people who have opened their arms—and their hearts—for the sake of a scoop? Praise for Laura Bradford "Laura Bradford is a master storyteller; this book will stay with you for a long, long time." —New York Times bestselling author Tasha Alexander "Engaging characters and a tender storyline will please fans of Amish fiction, especially readers of Amy Clipston." —Library Journal

One moment, Ben Miller was high up in the rafters at his neighbor's barn raising. The next, his foot slipped and he plunged to his death, leaving behind a young wife and six children—the youngest born four months after his death. Ruth Miller is not alone. Her Amish neighbors help her to make the difficult transition from wife to widow. But while the community has been generous, raising six growing children, each grieving their father's death, is overwhelming. Devastated by her loss, Ruth isn't sure how she'll make ends meet or restore order to a house full of rambunctious kids. With help from her mother and her energetic, but untidy neighbor, Mamie, Ruth finds a way to start over. Preoccupied with the effort to create a new life and manage her shrinking bank account, Ruth barely notices John King, the handsome newcomer to her community. Besides, how could she—if she had a chance—replace Ben? Does one ever replace a husband? As Christmas approaches, Ruth knows that she can't afford gifts for her children this year. It's hard enough to find money for groceries each week. But then banana boxes full of food, treats for the children, and even money begin to appear on her front porch. Who is leaving her these generous gifts? Is it a neighbor or a friend? Or, Ruth wonders, could it be John, who keeps unexpectedly appearing when Ruth most needs help? Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

In this 13th edition of "Adventuring with Books," teachers and librarians will find descriptions of more than 850 texts (published between 1999 and 2001) suitable for student use in background research, unit study, or pleasure reading, and children will find books that delight, amuse, and entertain. The texts described in the book are divided into 24 general topics, including Science Nonfiction; Struggle and Survival; Fantasy Literature; Sports, Games and Hobbies; and Mathematics in Our World. To highlight literature that reflects the schools' multiple ethnicities, the booklist also introduces readers to recent literature that celebrates African American, Asian and Pacific Island, Hispanic American, and indigenous cultures. Each chapter begins with a brief list of selection criteria, a streamlined list of all annotated titles in that chapter, and an introduction in which chapter editors discuss their criteria and the status of available books in that subject area. While the reviews were written by adults, the voices and opinions of children are often included as well, lending credence to adult choices of the quality children's books. (NKA).
