The original Biblical Jews were Black African people who were ruthlessly persecuted by the white man (Romans). The prophet Jesus was a Black Jew who was born during this time. The Roman-Jewish War in 66 A.D. marked the peak of this persecution and the end of the original Black Jews (Hebrew-Israelites) as a nation.

"Blacked Out Through Whitewash" has 7
volumes. The remaining unpublished 6 volumes
are in progress, 70% to 85% completed. I
would luv more than anything to be able to
devote my energies full time to this work, as
I did for 15 years until 2014. If my books
(all 10) were not so heavily bootlegged, I'd
be able to do this.

She states: "Historically, the white race has sought to hide its genetic origin in Africa amongst Blacks, just as it has sought to deny the origins of the white civilization, from the culture of Black in Africa, seeking instead to proclaim an origin amongst the Greeks. Historically, whites also have sought to degrade Africa and everything Black.

A man questions everything--his faith, his morality, his country--as he recounts his experience as an interrogator in Iraq; an unprecedented memoir and "an act of incredible bravery" (Phil Klay)

"Remarkable... Both an agonized confession and a chilling expose of one of the darkest interludes of the War on Terror. Only this kind of courage and honesty can bring America back to the democratic values that we are so rightfully proud of." --Sebastian Junger

Consequence is the story of Eric Fair, a kid who grew up in the shadows of crumbling Bethlehem Steel plants nurturing a strong faith and a belief that he was called to serve his country. It is a story of a man who chases his own demons from Egypt, where he served as an Army translator, to a detention center in Iraq, to seminary at Princeton, and eventually, to a heart transplant ward at the University of Pennsylvania. In 2004, after several months as an interrogator with a private contractor in Iraq, Eric Fair's nightmares take new forms: first, there had been the shrinking dreams; now the liquid

Bookmark File PDF Blacked Out Through Whitewash

dreams begin. By the time he leaves Iraq after that first deployment (he will return), Fair will have participated in or witnessed a variety of aggressive interrogation techniques including sleep deprivation, stress positions, diet manipulation, exposure, and isolation. Years later, his health and marriage crumbling, haunted by the role he played in what we now know as "enhanced interrogation," it is Fair's desire to speak out that becomes a key to his survival. Spare and haunting, Eric Fair's memoir is both a brave, unrelenting confession and a book that questions the very

depths of who he, and we as a country, have become.

No stone is left unturned as this archaeologist and ancient historian walks us through various versions of the Bible, Sumerian tablets, and early Egyptian papyrus records in a vigilant search for truth. Read about the deception, the tampering with the scriptures and the conspiracy within the Roman Church. The writing style is free and easy with snippets of humour and impressive references to support all conclusions. You will look at your Bible differently after

this entertaining read. The conclusions of Ian Ross Vayro expose the lies, fraud and so called infallible truths of organised religion.

It has, improbably, been called uncommonly lucid, even riveting by The New York Times, and it was a finalist for the 2004 National Book Awards nonfiction honor. It is a literally chilling read, especially in its minute-by-minute description of the events of the morning of 9/11 inside the Twin Towers. It is The 9/11 Commission Report, which was, before its publication, perhaps one of the

Bookmark File PDF Blacked Out Through Whitewash

most anticipated government reports of all time, and has been since an unlikely bestseller. The official statement by the National Commission on Terrorist Attacks Upon the United States-which was instituted in late 2002 and chaired by former New Jersey Governor Thomas Kean-it details what went wrong on that day (such as intelligence failures), what went right (the heroic response of emergency services and self-organizing civilians), and how to avert similar future attacks. Highlighting evidence from the day, from airport surveillance footage of the terrorists to phone calls from

Bookmark File PDF Blacked Out Through Whitewash

the doomed flights, and offering details that have otherwise gone unheard, this is an astonishing firsthand document of contemporary history. While controversial in parts-it has been criticized for failing to include testimony from key individuals, and it completely omits any mention of the mysterious collapse of WTC 7-it is nevertheless an essential record of one of the most transformational events of modern times.
