Everything educators need to know to enhance learning for ESLstudents This unique teacher time-saver includes scores of helpful,practical lists that may be reproduced for classroom use orreferred to in the development of instructional materials andlessons. The material contained in this book helps K-12 teachersreinforce and enhance the learning of grammar, vocabulary,pronunciation, and writing skills in ESL students of all abilitylevels. For easy use and quick access, the lists are printed in aformat that can be photocopied as many times as required. Acomplete, thoroughly updated glossary at the end provides anindispensable guide to the specialized language of ESLinstruction.

The New York Times bestseller that's changing America's diet is now perfect for younger readers "What's for dinner?" seemed like a simple question—until journalist and supermarket detective Michael Pollan delved behind the scenes. From fast food and big organic to small farms and old-fashioned hunting and gathering, this young readers' adaptation of Pollan's famous food-chain exploration encourages kids to consider the personal and global health implications of their food choices. In a smart, compelling format with updated facts, plenty of photos, graphs, and visuals, as well as a new afterword and backmatter, The Omnivore's Dilemma serves up a bold message to the generation that needs it most: It's time to take charge of our national eating habits—and it starts with you.

Teaching Social Studies to English Language Learners provides readers with a comprehensive understanding of both the challenges that face English language learners (ELLs) and ways in which educators might address them in the social studies classroom. The authors offer context-specific strategies for the full range of the social studies curriculum, including geography, U.S. history, world history, economics, and government. These practical instructional strategies will effectively engage learners and can be incorporated as a regular part of instruction in any classroom. An annotated list of web and print resources completes the volume, making this a valuable reference to help social studies teachers meet the challenges of including all learners in effective instruction. Features and updates to this new edition include: • A updated and streamlined Part 1 provides an essential overview of ELL theory in a social studies specific-context. • "Teaching Tips" offer helpful suggestions and ideas for creating and modifying lesson plans to be inclusive of ELLs. • Additional practical examples and new pedagogical elements in Part 3 include more visuals, suggestions for harnessing new technologies, discussion questions, and reflection points. • New material that takes into account the demands of the Common Core State Standards, as well as updates to the web and print resources in Part 4.

Set in northwestern Ontario in the 1960s, Silent Words tells the story of a young Native boy and his journey of self discovery.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. We may all speak the same language, but getting to grips with grammar is the ultimate challenge. You could be puzzled by prepositions, confused by comparatives, or muddled over modals. Thankfully, this complete visual aid to everything in the English language sets you straight with a clear and concise format for easy understanding. The rules of English grammar are beautifully presented with eye-catching illustrations, step-by-step graphics, and straightforward explanations to help you learn. Suitable for English language learners at all levels, including experienced English speakers looking for a recap of key language points, English for Everyone: English Grammar Guide covers basic, intermediate, and advanced grammar. There is no stone left unturned when it comes to the English language. All kinds of problems are solved, including tenses, verbs, adverbs, clauses, superlatives, and questions. You are encouraged to spot patterns and sequences in language to see the similarities and develop greater understanding. After an intensive review, test yourself with a range of speaking, reading, and writing exercises to see how far you have come. This essential grammar e-guide is part of DK's English for Everyone series, an exciting and educational self-study course to build up confidence and fluency. Whether you want to improve your grammar for school, study, exams (including TOEFL and IELTS), work, or travel, this is the perfect reading companion. Series Overview: English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit www.dkete.com to find out more.

"A basic discussion about the history of the Louisiana Purchase, and how the United States expanded their lands by buying the Louisiana Territory from France"--Provided by publisher.

Have you noticed that the moon sometimes seems to grow and shrink? Read and find out about the phases of the moon! With a simple experiment using an orange, a pencil, and a flashlight, you can see for yourself why the moon looks different at different times of the month. Now available as an ebook, this classic picture book features rich vocabulary and simple diagrams. Both text and artwork were vetted for accuracy by an expert. This is a Level 2 Let's-Read-and-Find-Out Science title, which means the book explores more challenging concepts for children in the primary grades and supports the Common Core Learning Standards, Next Generation Science Standards, and the Science, Technology, Engineering, and Math (STEM) standards. Let's-Read-and-Find-Out Science is the winner of the American Association for the Advancement of Science/Subaru Science Books & Films Prize for Outstanding Science Series.
