Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Prepare for the Cambridge IGCSE in Drama 2016 syllabus with an approach that helps to create a varied, stimulating and enjoyable learning environment that enables students of different confidence and ability levels to flourish. \* Be ready to teach the new syllabus (for first examination in June 2016) with this brand new series which has been fully matched to the Cambridge IGCSE® Drama syllabus. \* Have full confidence in the content and approach of the series which is written by a team of highly experienced authors, who have over 20 years of teaching experience. \* Enable students to learn a range of skills, such as how to build their self-awareness and how to reflect on their performance. This will build their knowledge and self-confidence, which extends beyond the course itself and helps equip them for life. \* Know that the series has an international feel in terms of both language used within the text, and plays, scenarios and contexts selected. \* Make use of the excellent supporting components of the series

which include a range of exciting and engaging scripts from real plays, role plays for warm ups, examples of stimuli for Devised pieces, and still images from productions which show key elements from performances. \* Help students monitor their learning using the 'Learning Log' and 'Check your progress' features, where students review, record and evaluate their work.

Present Yourself Second Edition is a presentation skills course for adult and young adult learners of English. Present Yourself Second Edition Level 1 is intended for low-intermediate students and focuses on giving presentations about everyday experiences. It can be used as a main text in a presentation skills course, in the context of a general conversation course, or as a component in speaking or integrated-skills classes.

SECOND EDITION of the best-selling course first published in 2003. Provides exam preparation and practice for the PET exam.

Developing many of the major, exciting, pre- and post-millennium developments from the ground up, this book is an ideal entry point for graduate students into quantum information theory. Significant attention is given to quantum mechanics for quantum information theory, and careful studies of the important protocols of teleportation, superdense coding, and entanglement distribution are presented. In this new edition, readers can expect to find over 100 pages of new material, including detailed discussions of Bell's theorem, the CHSH game, Tsirelson's theorem, the axiomatic approach to quantum channels, the definition of the diamond norm and its interpretation, and a proof of the Choi-Kraus theorem. Discussion of the importance of the quantum dynamic capacity formula has been completely revised, and many new exercises and references have been added. This new edition will be welcomed by the upcoming generation of quantum information theorists and the already established community of classical information theorists.

Present Yourself Second Edition is a presentation skills course for adult and young adult learners of English. Present Yourself Second Edition Level 2 is intended for intermediate students and focuses on giving presentations that express an opinion or point of view. It can be used as a main text in a presentation skills course, in the context of a general conversation course, or as a component in speaking or integrated-skills classes.

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 4.

The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Cambridge Global English (7-8) is a lower Secondary course following the Cambridge Secondary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. The course is also aligned with the Common European Framework of Reference. Workbook 7 is organised into eighteen thematic units of study based on the Cambridge International English Scheme of Work for Stage 7. The units are carefully structured to reinforce the language learning of the Coursebook, at the same time as extending students' knowledge via a range of exercise types. CEFR Level towards B1.

A stimulating introduction to human learning and memory, written in a lively style to engage students in critical thinking.

Grammar and Beyond is a four-level North American grammar course informed by a collection of over one billion words of authentic language, ensuring that students learn grammar the way it is used in real spoken and written English. The series places special emphasis on grammar for writing. CEF: B2-C1.
