Retail supply chain consists of multiple segments from sales to distribution to finance. Retail manufacturers rely on a complicated web of suppliers. Customer demand and market competition today requires extreme efficiency from end to end. This book offers the retail supply chain executive with the tools needed for full strategic advantage. The new edition gives special attention to recent challenges, such as vast technological change, higher levels of customer personalization, and more global supply chains.

In the predawn hours of a gloomy February day in 1994, two thieves entered the National Gallery in Oslo and made off with one of the world's most famous paintings, Edvard Munch's Scream. It was a brazen crime committed while the whole world was watching the opening ceremonies of the Winter Olympics in Lillehammer. Baffled and humiliated, the Norwegian police turned to the one man they believed could help: a half English, half American undercover cop named Charley Hill, the world's greatest art detective. The Rescue Artist is a rollicking narrative that carries readers deep inside the art underworld -- and introduces them to a large and colorful cast of titled aristocrats, intrepid investigators, and thick-necked thugs. But most compelling of all is Charley Hill himself, a complicated mix of brilliance, foolhardiness, and charm whose hunt for a purloined treasure would either cap an illustrious career or be the fiasco that would haunt him forever.

For decades, the top-secret Red Cell Seven unit has operated beyond the reach of the law—defending the United States by any means necessary, with absolute impunity. But the tables have turned, and the untouchable anti-terror squad is under attack. Determined to end Red Cell Seven's ruthless, lawless existence, the US president has tapped military assassin extraordinaire Skylar McCoy to lead a covert search and destroy mission. But McCoy isn't the only one gunning for Red Cell Seven. A vengeful drug lord has dispatched his own hired killers to eliminate the elite commandos as the first step in the ultimate terrorist plot: exterminating the highest echelons of American government. Caught in the middle, the agents of RC7 must fight their dirtiest, most devastating battle—and dare to decide who will be saved or sacrificed for the greater good.
