more fun and memorable.

How can the Japanese for Busy People series help you learn Japanese? Japanese for Busy People is, as the title suggests, a concise course for 'busy' students who want to learn natural, spoken Japanese as effectively as possible in a limited amount of time. Three main texts-Japanese for Busy People I, Japanese for Busy People II, and Japanese for Busy People III-with related workbooks, cassette tapes, ODs, teacher's manuals, and videos make up this fully integrated three-level series. At each level, enough vocabulary and grammar has been provided to enable the learner to communicate in uncomplicated adult language without having to memorize excessive amounts of vocabulary and

language patterns that are not immediately useful. All components of the Japanese for Busy People series have been prepared under the guidance of a working group of experienced Japanese language instructors who reviewed and tested the material in an authentic classroom environment. Japanese for Busy People II: The Workbook is the ideal resource for any student who wishes to improve speaking, listening, reading, and writing skills in Japanese. This collection of exercises and activities has been developed to provide practice for sentence patterns presented in both the Revised Edition and Kana Version of Japanese for Busy People II. The workbook can be used both in the classroom as a supplement for introducing or reviewing lessons, and outside the classroom for homework

and review. When coordinated with the exercises and quizzes in the main textbook, this workbook should enable learners to improve their command of basic Japanese in a relatively short time.' This fully illustrated Workbook includes: 'Structure Practice' -To understand the meaning and structure of sentence patterns. 'Receptive Practice' -To understand how a structure is used in context. 'Productive Practice' -To form spoken and written sentences based on the sentence patterns. Japanese for Busy People II: Workbook Tapes (available separately) has been specially designed to support this workbook.

Japanese as effectively as possible in a limited amount of time. This worldwide bestselling series was prepared by a working group of experienced Japanese language instructors who viewed and tested the material in an authentic classroom environment. Now the series is being thoroughly revised to make learning Japanese easier than ever.

Volume I dealt with "survival Japanese" for tourists and other short-term travelers and newcomers to Japan. Volume II, meanwhile, turns to the basics of Japanese syntax. The book is by no means only about grammar, however. Rather, it is designed to help learners consolidate their understanding of syntactical structure through lessons that

**Focus** on how to talk about topics relevant to daily life. In addition to serving learners continuing from Volume I, Volume II will benefit those who have already studied beginning Japanese to some extent but wish to brush up on syntax. Major Features of Japanese for Busy People II, Revised 3rd Edition, will enable learners to progress smoothly through the equivalent of the latter half of a typical first-year Japanese course while gradually building speaking and listening skills. Learners approaching mid-beginner status often find themselves suddenly faced with syntax and vocabulary much more complex than what they have studied before. Such grammar and vocabulary do not appear as frequently in everyday conversation as those words and structures they have learned up to this point,

## Read Online Japanese For Busy People I Romanized Ociation Language Teaching

necessitating that they spend ample time on review. Moreover, learners at this stage are expected to become familiar with verb tense and aspect, time expressions, conditional clauses, and other topics that require them to have a solid grasp of context and speaker intent if they are to fully understand the differences in meaning conveyed by each. Japanese for Busy People II helps overcome the above obstacles through grammar and content topics carefully selected to be appropriate to learners at this level of Japanese proficiency. The book is designed so that by practicing talking about each topic, learners will gradually and effectively acquire sentence patterns and vocabulary related to that topic. Like Volume I, Volume II is organized into several large units, each covering topics grouped under

This first of three volumes introduces "survival Japanese" — the absolute minimum amount of Japanese needed to live in Japan. Thus, the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first-year course. In addition, the book features notes on Japanese culture intended to expand the learner ' s understanding of Japan, its customs and people. Japanese for Busy People I is available in two formats: romanized and kana. The Romanized Version uses romanized Japanese throughout, with kana in the Opening Dialogues of each lesson. The Kana Version — exposing students to hiragana and katakana from the very beginning — uses only kana. The content of the two books is otherwise exactly the same. The companion volume, Japanese for Busy
