The old Quaker adage, "Let your life speak," spoke to author Parker J. Palmer when he was in his early 30s. It summoned him to a higher purpose, so he decided that henceforth he would live a nobler life.

~~Let Your Life Speak: Listening for the Voice of Vocation ...~~

Let Your Life Speak is an openhearted gift to anyone who seeks to live authentically. The book's title is a time-honored Quaker admonition, usually taken to mean "Let the highest truths and values guide everything you do." But Palmer reinterprets those words, drawing on his own search for selfhood.

~~Let Your Life Speak~~

In Let Your Life Speak, Palmer continues to deepen our ways of understanding the relationships between the inner life of spirit and the outer life of action." — Rob Lehman, president, The Fetzer Institute

~~Let Your Life Speak: Listening for the Voice of Vocation ...~~

Parker J. Palmer asked it himself and explores his journey of self-discovery in this wonderful book Let Your Life Speak: Listening for the Voice of Vocation. The title is based on an old Quaker saying, "Let your life speak," and it resonated with him (and with me).

~~Book Review: Let Your Life Speak by Parker J. Palmer~~

Let Your Life Speak by Parker J. Palmer is one of my top book recommendations for life purpose. I consider it a down-to-earth masterclass in allowing life to live you (instead of you living life).

~~How to Find Your True Self with "Let Your Life Speak ...~~

This morning I'm inviting us to think about the Quaker saying, Let your life speak, which is a paraphrase of George Fox's counsel to early Friends to Let yours lives preach. Beginning in 1652, Fox wrote roughly 400 letters laying out his theology, many of them lengthy, specific, and rather tedious.

The journey to self-discover can be long. ... What a long time it can take to become the person... When way closes. ...

~~Book summary: Let Your Life Speak, by Palmer J. Parker ...~~

Verbalizing is not the only way our lives speak, of course. They speak through our actions and reactions, our intuitions and instincts, our feelings and bodily states of being, perhaps more profoundly than through our words. We are like plants, full of tropisms that draw us toward certain experiences and repel us from others.

~~Listening to Life—Let Your Life Speak~~

Let Your Life Speak: Listening for the Voice of Vocation is an insightful discourse on discovering one's true self and vocation. Many of us would be familiar with the experience of striving to live up to the expectations of others. We may even have made career choices or decisions that are far removed from who we really are.

(Berret-Koehler, 2018) by Parker J. Palmer From beloved and bestselling author Parker J. Palmer (Let Your Life Speak), a brave, beautiful book of reflections on eight decades of life and work.

PLEASE NOTE: Some recent copies of Let Your Life Speak included printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to josseybasseducation@wiley.com to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy traveling, Let Your Life Speak hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

Aging as a passage of discovery and engagement From bestselling author Parker J. Palmer comes a brave and beautiful book for all who want to age reflectively, seeking new insights and life-giving ways to engage in the world. “Age itself,” he says, “is no excuse to wade in the shallows. It's a reason to dive deep and take creative risks.” Looking back on eight decades of life—and on his work as a writer, teacher, and activist—Palmer explores what he's learning about self and world, inviting readers to explore their own experience. In prose and poetry—and three downloadable songs written for the book by the gifted Carrie Newcomer—he meditates on the meanings of life, past, present, and future. “The laws of nature that dictate sundown dictate our demise. But how we travel the arc toward the sunset of our lives is ours to choose: will it be denial, defiance, or collaboration?” With compassion and chutzpah, gravitas and levity, Palmer writes about cultivating a vital inner and outer life, finding meaning in suffering and joy, and

forming friendships across the generations that bring new life to young and old alike.

In *A Hidden Wholeness*, Parker Palmer reveals the same compassionate intelligence and informed heart that shaped his best-selling books *Let Your Life Speak* and *The Courage to Teach*. Here he speaks to our yearning to live undivided lives—lives that are congruent with our inner truth—in a world filled with the forces of fragmentation. Mapping an inner journey that we take in solitude and in the company of others, Palmer describes a form of community that fits the limits of our active lives. Defining a “circle of trust” as “a space between us that honors the soul,” he shows how people in settings ranging from friendship to organizational life can support each other on the journey toward living “divided no more.” This paperback edition includes two new and useful features. *Circles of Trust* is a DVD containing interviews with Parker J. Palmer and footage from retreats he facilitated for the Center for Courage & Renewal (www.CourageRenewal.org). *Bringing the Book to Life*, by Caryl Hurtig Casbon and Sally Z. Hare, is a reader's and leader's guide to exploring the themes in *A Hidden Wholeness*. The DVD illuminates and illustrates the principles and practices behind circles of trust. The guide includes questions that connect the DVD to the book, offering “a conversation with the author” as well as an engagement with the text. Together, these features give readers new ways to internalize the themes of *A Hidden Wholeness* and share with others this approach to sustaining identity and integrity in all the venues of our lives. Inspired by Palmer's writing and speaking—and challenged by the conditions of twenty-first century life—people across the country, from many walks of life, have been coming together in circles of trust to reclaim their integrity and help foster wholeness in their workplaces and their world. For over a decade, the principles and practices in this book have been proven on the ground—by parents and educators, clergy and politicians, community organizers and corporate executives, physicians and attorneys, and many others who seek to rejoin soul and role in their private and public lives. *A Hidden Wholeness* weaves together four themes that its author has pursued for forty years: the shape of an integral life, the meaning of community, teaching and learning for transformation, and nonviolent social change. The hundreds of thousands of people who know Parker Palmer's books will be glad to find the journey continued

"This book is for teachers who have good days and bad -- and whose bad days bring the suffering that comes only from something one loves. It is for teachers who refuse to harden their hearts, because they love learners, learning, and the teaching life." - Parker J. Palmer [from the Introduction] Teachers choose their vocation for reasons of the heart, because they care deeply about their students and about their subject. But the demands of teaching cause too many educators to lose heart. Is it possible to take heart in teaching once more so that we can continue to do what good teachers always do -- give heart to our students? In *The Courage to Teach*, Parker Palmer takes teachers on an inner journey toward reconnecting with their vocation and their students -- and recovering their passion for one of the most difficult and important of human endeavors.

Hope for American democracy in an era of deep divisions In *Healing the Heart of Democracy*, Parker J. Palmer quickens our instinct to seek the common good and gives us the tools to do it. This timely, courageous and practical work—intensely personal as well as political—is not about them, “those people” in Washington D.C., or in our state capitals, on whom we blame our political problems. It's about us, “We the People,” and what we can do in everyday settings like families, neighborhoods, classrooms, congregations and workplaces to resist divide-and-conquer politics and restore a government “of the people, by the people, for the people.” In the same compelling, inspiring prose that has made him a bestselling author, Palmer explores five “habits of the heart” that can help us restore democracy's foundations as we nurture them in ourselves and each other: An understanding that we are all in this together An appreciation of the value of “otherness” An ability to hold tension in life-giving ways A sense of personal voice and agency A capacity to create community *Healing the Heart of Democracy* is an eloquent and empowering call for “We the People” to reclaim our democracy. The online journal *Democracy & Education* called it “one of the most important books of the early 21st Century.” And *Publishers Weekly*, in a Starred Review, said “This beautifully written book deserves a wide audience that will benefit from discussing it.”

Featuring stunning colour illustrations of the energy of human organs and other body parts, this book is perfect for anyone interested in learning about the self-healing properties of the body and the psychic, emotional, and physical elements central to existence. The book provides a deeper understanding of the wider psychological function of each organ, including eyes, hands, hips, knees, shoulders, spine, and teeth, and explains how they act in concert within the body. The illustrations further enhance how to receive the message of each organ on an intuitive level, and a chart of healing crystals corresponding with each organ brings further information on how to interact with the organs energetically.

* Includes passages from Scripture and opportunities to reflect and pray * Ideal for use during Advent or Lent.

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. “Speak up for yourself—we want to know what you have to say.” From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

Henry Joel Cadbury made his mark on twentieth-century culture as a biblical scholar and teacher of world renown, a Quaker leader, and a peace and civil rights activist.

In a special hardcover edition of *The Call*, Os Guinness challenges readers to address the search for life's meaning. This stickered graduation edition is perfect for gift-giving."
