Robert Lowell began his poetic career by studying with New Criticism poets such as Allen Tate, John Crowe Ransom, and Robert Penn Warren. He wrote rigorously formal verse and at thirty was awarded the Pulitzer Prize for his second book, Lord Weary's Castle. However, his most famous book, Life Studies, was a radical departure not only from his earlier work, but also from the larger poetry scene at the time of its publication in 1959.

Susan Vreeland has written a collection of stories that explore art through the eyes of ordinary people. In *Life Studies*, she first takes us back to the nineteenth- and early-twentieth-century art world of France and Italy and then returns us to the present day with a group of contemporary stories.

This popular volume collects two of Lowell's finest books of poetry.

A National Book Award Finalist: "One of the most life-affirming books I have read in a long time...brims with humanity, irreverence, and invigorating candor." —Tom Vanderbilt, *The Nation* "Every year I bury a couple hundred of my townspeople." Robert Lowell, Thomas Lynch is, unlike others, also hired to bury the dead or to cremate them and to tend to their families in a small Michigan town where he serves as the funeral director. In the conduct of these duties he has kept his eyes open, his ear tuned to the indispensable vernaculars of love and grief. In these twelve pieces his is the voice of both witness and functionary. Here, Lynch, poet to the dying, names the hurts and whispers the condolences and shapes the questions posed by this familiar mystery. So here is homage to parents who have died and to children who shouldn't have. Here are golfers tripping over grave markers, gourmands and hypochondriacs, lovers and suicides. These are the lessons for life our mortality teaches us.

Frank Bidart and David Gewanter have compiled the definitive edition of Robert Lowell's work, from his first, impossible-to-find collection, *Land of Unlikeness*; to the early triumph of *Lord Weary's Castle*, winner of the 1946 Pulitzer Prize; to the brilliant willfulness of his versions of poems by Sappho, Baudelaire, Rilke, Montale, and other masters in *Imitations*; to the late spontaneity of *The Dolphin*, winner of another Pulitzer Prize; to his last, most searching book, *Day by Day*. This volume also includes poems and translations never previously collected, and a selection of drafts that demonstrate the poet's constant drive to reimagine his work. *Collected Poems at last* offers readers the opportunity to take in, in its entirety,

Robert Lowell  
one of the great careers in twentieth-century poetry.

Robert Lowell, with Elizabeth Bishop, stands apart as the greatest American poet of the latter half of the twentieth century—and *Life Studies* and *For the Union Dead* stand as among his most important volumes. In *Life Studies*, which was first published in 1959, Lowell moved away from the formality of his earlier poems and started writing in a more confessional vein. The title poem of *For the Union Dead* concerns the death of the Civil War hero (and Lowell ancestor) Robert Gould Shaw, but it also largely centers on the contrast between Boston's idealistic past and its debased present at the time of its writing, in the early 1960's. Throughout, Lowell addresses

"In his Pulitzer Prize-winning poetry, Robert Lowell (1917-1977) put his manic-depressive illness into the public domain. Now Dr. Kay Redfield Jamison brings her expertise to bear on his story, illuminating the relationship between bipolar illness and creativity, and examining how Lowell's illness and the treatment he received came to bear on his work"--

What does it mean to meet a stranger - in particular, to meet a man? Is it possible that for just one moment, even though you have just met, you can see him as he really is? So it may be just for one moment, but maybe
