This comprehensive overview of international business is divided into various business functions, making it clear and easy to understand. In every chapter "Culture Quest Insights" into culture, geography, and business lead readers to a multi-media experience of a certain country or region that provides useful information on the impact of culture on business. Cases specific to each region or country add to the total reading experience.Topics covered include: the world's marketplaces, the international environment, managing international business and business operations.For CEOs, managers, and other executives who need to understand the cultural mores of the global societies with which they do business.

For International Business courses This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Successfully prepare students for the international marketplace. International Business illustrates how successful managers must function in a competitive world. Packed with current examples that reflect the vibrancy of the international business field, this student-friendly text offers a managerial approach that keeps an emphasis on skills development, emerging markets and geographical literacy. The sixth edition of this internationally popular text contains all the same core concepts while incorporating new and current topic coverage.

Blending information from popular mainstream articles, highly technical publications, and research journals, the second edition of Principles of Air Quality Management features new sections on air toxics, new information on chronic and acute health effects, and new approaches to the assessment of those impacts on sensitive populations. It em

Introduce the essentials of management today as leading author Ricky Griffin provides a strong theoretical and functional framework in a new edition that's concise enough to let you integrate your own cases, exercises, and projects.

Prepare your students today to become strong, effective managers tomorrow with the powerful concepts and practical applications found in Griffin/Moorhead's ORGANIZATIONAL BEHAVIOR: MANAGING PEOPLE AND ORGANIZATIONS, Ninth Edition. This reader-oriented text helps you equip your students with the skills and solid understanding to meet the management challenges of a new century. The book's applied approach balances classic management ideas with the most recent OB developments and contemporary trends. Students delve into the core concepts of human behavior and industrial psychology within the help of memorable real examples drawn from organizations that appeal to students, such as Facebook, Microsoft, IKEA and New Balance. Fresh new cases, proven end-of-chapter exercises, activities, and an optional case and exercise book help you equip your students with the assets, tools, and resources to compete effectively amid a world of change. Students grasp the fundamental of human behavior in organizations and the ability to develop new answers to new challenges as they learn to understand the people who comprise an organization, understand change, and understand how organizations must respond to change. Equip and energize the next generation of managers for the most exciting task of tomorrow: managing people effectively within competitive organizations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Coupling real business examples with minimal technical mathematics, market-leading INTRODUCTION TO DERIVATIVES AND RISK MANAGEMENT, 10e blends institutional material, theory, and practical applications to give students a solid understanding of how derivatives are used to manage the risks of financial decisions. The book delivers detailed coverage of options, futures, forwards, swaps, and risk management as well as a balanced introduction to pricing, trading, and strategy. New Taking Risk in Life features illustrate the application of risk management in real-world financial decisions. In addition, the financial information throughout the Tenth Edition reflects the most recent changes in the derivatives market—one of the most volatile sectors in the financial world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
