There, she discovers an unsettling--and forbidden--talent for crafting colors that enchant all who behold them, including Abascar ' s hard-hearted king, an exiled wizard, and a prince who keeps dangerous secrets. Krause Publications' Standard Catalog series is available by specific marque, in individual volumes or a set. Each book contains in-depth profiles of specific makes by model, factory photos, and up-to-date vehicle pricing. The I-to-conditional pricing system assures readers of accurate values, whether a vehicle is a #1 low-mileage, rust-free beauty or a #6 parts-only heap. 'Techs & specs', original factory prices, production and serial numbers, and engine/chassis codes are noted by model, thus helping you determine authenticity accuracy. Historical, technical and pricing information are combined from hundreds of sources. James Flamming values each model according to the popular 1-6 grading system invented by Old Cars magazine.
