The School Counselor 's Study Guide for Credentialing Exams is the only study guide on the market based on the ASCA School Counselor Competencies, CACREP Standards, NBCC NCSCE content requirements, and the NCATE and NBPTS Standards. Designed to help users build knowledge and skills that are transferrable to any test format, it can be used to prepare for the NCSCE, Praxis II School Counseling Specialty Exam, NBPTS School Counseling national certification exam, Comprehensive School Counselor Education program exams, and state certification exams for professional school counseling. Each chapter aligns with one of the eight CACREP content areas for school counseling and covers in depth the material necessary to succeed on any of the exams. Also included in each chapter are case scenarios, guided reflection questions, and actual exam practice questions. A full-length practice exam is provided at the end with answers and explanations for correct and incorrect responses. Additional resources include a glossary of important terms and lists of ethical codes and competencies for various school counseling related organizations. Students and professionals seeking a professional school counselor credential will find this to be an invaluable tool in their exam preparation.

Reading Latin, first published in 1986, is a bestselling Latin course designed to help mature beginners read classical Latin fluently and intelligently. It does this by combining the understanding of continuous texts with rigorous teaching of grammar; it provides exercises designed to develop the skills of accurate translation; and it integrates the learning of classical Latin with an appreciation of the influence of the Latin language upon English and European culture from antiquity to the present. The Independent Study Guide is intended to help students who are learning Latin on their own or with only limited access to a teacher. It contains notes on the texts that appear in the Text and Vocabulary volume, translations of all the texts, and answers to the exercises in the Grammar and Exercises volume. The book will also be useful to students in schools, universities and summer schools who have to learn Latin rapidly.

The School Counselor 's Desk Reference and Credentialing Examination Study Guide, Second Edition is the only study guide and desk reference on the market that covers the latest ASCA School Counselor Competencies, CACREP Standards, and the CAEP and NBPTS Standards. It effectively prepares students for the Praxis II Professional School Counseling exams (5421 & 0420), NBPTS School Counseling National Certification exam, School Counselor Preparation Comprehensive exams, and state-specific certification exams for the professional practice of school counseling. This revised volume is designed to build knowledge and skills through end-of-chapter practice tests, a full-length practice exam with exam answers and rationales, guided reflections, and case studies. Additional resources include a glossary of important terms and a list of commonly used acronyms within the profession.

Presents an overview of the test, provides sample questions and answers with detailed explanations, and offers tips and techniques for taking and passing the certification exam.

The Admission Test Series prepares students for entrance examinations into college, graduate and professional school as well as candidates for professional certification and licensure.
