Shoedog

'A refreshingly honest reminder of what the path to business success really looks like ... It's an amazing tale' Bill Gates 'The best book I read last year was Shoe Dog, by Nike's Phil Knight. Phil is a very wise, intelligent and competitive fellow who is also a gifted storyteller' Warren Buffett In 1962, fresh out of business school, Phil Knight borrowed \$50 from his father and created a company with a simple mission: import high-quality, low-cost athletic shoes from Japan. Selling the shoes from the boot of his Plymouth, Knight grossed \$8000 in his first year. Today, Nike's annual sales top \$30 billion. In an age of start-ups, Nike is the ne plus ultra of all start-ups, and the swoosh has become a revolutionary, globe-spanning icon, one of the most ubiquitous and recognisable symbols in the world today. But Knight, the man behind the swoosh, has always remained a mystery. Now, for the first time, he tells his story. Candid, humble, wry and gutsy, he begins with his crossroads moment when at 24 he decided to start his own business. He details the many risks and daunting setbacks that stood between him and his dream - along with his early triumphs. Above all, he recalls how his first band of partners and employees soon became a tight-knit band of brothers. Together, harnessing the transcendent power of a shared mission, and a deep belief in the spirit of sport, they built a brand that changed everything. A memoir rich with insight, humour and hard-won wisdom, this book is also studded with lessons - about building something from scratch, overcoming adversity, and ultimately leaving your mark on the world.

"An eye-opening look into the story of Knight before his multibillion dollar company." —School Library Journal "A great story about how an ambition turned into a business...serves as a guide for accomplishing great things." —VOYA In this young reader's edition of the New York Times bestseller, Nike founder and board chairman Phil Knight "offers a rare and revealing look at the notoriously media-shy man behind the swoosh" (Booklist, starred review), opening up about how he went from being a track star at an Oregon high school to the founder of a brand and company that changed everything. You must forget your limits. It was only when Nike founder Phil Knight got cut from the baseball team as a high school freshman that his mother suggested he try out for track instead. Knight made the track team and found that not only could he run fast but also, more importantly, he liked it. Ten years later, young and searching, Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high quality running shoes from Japan. Selling the shoes from the trunk of his car to start, he and his gang of friends and runners built one of the most successful brands ever. Phil Knight encountered risks and setbacks along the way, but always followed his own advice. Just keep going. Don't stop. Whatever comes up, don't stop. Filled with wisdom, humanity, humor, and heart, the young readers edition of the bestselling Shoe Dog is a story of determination that inspires all who read it. The Young Readers Edition is an abridged version of the internationally bestselling adult book and it features original front matter and back matter, including a new introduction and "A Letter to the Young Reader" containing advice from Phil Knight for budding entrepreneurs.

Shoe Dog loves to chew...well, shoes! But when his choice of chewables leads to trouble, a feline friend has a purr-fect solution. Shoe Dog likes to chew. And chew and chew. But he doesn't chew a boring old bone. Not a squeaky old toy. Not a smelly old sock. Nope. Shoe Dogs chews...well, take a guess! Chewing shoes poses a problem, however, and Shoe Dog needs help to solve it. Good thing there's...Shoe Cat! With illustrations so lively that Shoe Dog nearly scurries off the page, this is an irresistibly adorable read-aloud ideal for pet owners and animal lovers alike.

"Phil Knight opens up about how he went from being a track star at an Oregon high school to the founder of Nike"--

In order to stay in the warm and cozy home he has longed for, Shoe Dog must learn to stop chewing shoes.

A New York Times bestseller ? A Library Journal Best Books of 2015 Pick ? A St. Louis Post-Dispatch Best Books of 2015 Pick ? A GoodReads Top Ten Fiction Book of 2015 ? A People Magazine Great Read From New York Times bestselling author and neuroscientist Lisa Genova comes a "heartbreaking...very human novel" (Matthew Thomas, author of We Are Not Ourselves) that does for Huntington's disease what her debut novel Still Alice did for Alzheimer's. Joe O'Brien is a forty-three-year-old police officer from the Irish Catholic neighborhood of Charlestown, Massachusetts. A devoted husband, proud father of four children in their twenties, and respected officer, Joe begins experiencing bouts of disorganized thinking, uncharacteristic temper outbursts, and strange, involuntary movements. He initially attributes these episodes to the stress of his job, but as these symptoms worsen, he agrees to see a neurologist and is handed a diagnosis that will change his and his family's lives forever: Huntington's disease. Huntington's is a lethal neurodegenerative disease with no treatment and no cure, and each of Joe's four children has a 50 percent chance of inheriting their father's disease. While watching her potential future in her father's escalating symptoms, twenty-one-year-old daughter Katie struggles with the questions this test imposes on her young adult life. As Joe's symptoms worsen and he's eventually stripped of his badge and more, Joe struggles to maintain hope and a sense of purpose, while Katie and her siblings must find the courage to either live a life "at risk" or learn their fate. Praised for writing that "explores the resilience of the human spirit" (San Francisco Chronicle), Lisa Genova has once again delivered a novel as powerful and unforgettable as the human insights at its core.

Inside Sorry I Pooped in Your Shoe, writer and comedian Jeremy Greenberg presents a collection of 50 laugh-out-loud letters and accompanying full-color photographs that explain Fido's love of funky smells, why a ball needs to be thrown again, and practically every other lovably loony canine characteristic. From an impassioned plea to stop the silly nicknames, to an attempt to skip a bath, to explanations for stolen shoes and swiped sandwiches, Sorry I Pooped in Your Shoe offers a pooch's perspective on common canine vs. human cohabitation conundrums. Sorry I Pooped in Your Shoe is the perfect gift for dog lovers and anyone who appreciates hilarious (and so true!) insights into dog--and human--nature.
