The bell at Sealey Head This book, like all of her books, is wonderful. I like the way she juggles the story as it develops into three stories, Judd's world, Ysabo's world and the world of Gynneth's story. But what I love most about her books is the language. It's almost visual. And her descriptions, they almost poetic.

The Bell at Sealey Head features three viewpoint characters. Judd Cauley is the innkeeper for the Inn at Sealey Head, a place that's seen better times. His aged father is blind, and Judd barely keeps the Inn going while caring for this father and coping with his old retainers, particular the cook, who is quite awful.

The three stories seem to revolve around the magic of tales: tales create magic or magic can be found by reading them or knowing them. Two of the three books in this omnibus involve tales within tales. I think I preferred the final story, The Bell at Sealey Head, but they were all finely written.

But Brenden's gift isolates him from people—and from becoming part of a community. Until the day he receives a personal invitation from the wizard Od. She needs a gardener for her school in the great city of Kelior, where every potential wizard must be trained to serve the Kingdom of Numis. For decades the rulers of Numis have controlled the school, believing they can contain the power within it—and punish any

and forbidding threshold, to enter a dark house that should not exist, to meet with a tinker who is also a king, and to embark on a quest for the one long-lost treasure that may free his people: the heart of the Cygnet. The Cygnet is a figure of myth and legend, like the Gold King, the Blind Lady, the Dancer, and the Warlock. Once Corleu had thought these beings to live only in the stars and in children's rhymes. Now he knows that they are as real as himself, and that it is the Cygnet that holds the others at bay. To find the heart, he must walk paths he never imagined: apprentice himself to a beautiful sorceress
