Were that not so, Edward Gibbon's classic six-volume work, The History of the Decline and Fall of the Roman Empire, would never have gained the fame it did in the eighteenth and nineteenth centuries.

The history of the decline and fall of the American empire ...

A timely treatise on the decline - or, rather, the subversion - of Western art. From valueless relativism, to low-brow agitprop, to glorified money-laundering schemes, Beard's work lays bare the crimes perpetrated against the long tradition of European art, and, crucially, why form, beauty, and aesthetics are of such inestimable importance to ...

Decline and Fall is a novel by the English author Evelyn Waugh, first published in 1928. It was Waugh's first published novel; an earlier attempt, titled The Temple at Thatch, was destroyed by Waugh while still in manuscript form. Decline and Fall is based, in part, on Waugh's schooldays at Lancing College, undergraduate years at Hertford College, Oxford, and his experience as a teacher at Arnold House in north Wales.

Decline and Fall - Wikipedia

In this sense, David Carlin's "Decline and Fall" is a good resource for those who are committed to the ongoing renewal of the Catholic Church in the USA and elsewhere.

Decline and Fall of the Catholic Church in America: Carlin ...

The History of the Decline and Fall of the Roman Empire is a six-volume work by the English historian Edward Gibbon. It traces Western civilization from the height of the Roman Empire to the fall of Byzantium. Volume I was published in 1776 and went through six printings. Volumes II and III were published in 1781; volumes IV, V, and VI in 1788–1789. The six volumes cover the history, from 98 to 1590, of the Roman Empire, the history of early Christianity and then of the Roman State Church ...

The History of the Decline and Fall of the Roman Empire ...

If you want to see what is leading to the decline and fall of the United States of America - this book tells it like it is in at least one component. Like a cancer, once it takes hold, it metastasizes throughout the body, in this case the government, leading to the ultimate death of the host.

The Decline and Fall of the American Empire | The Nation

The Decline and Fall The first quarto volume of his history, published on February 17, 1776, immediately scored a success that was resounding, if somewhat scandalous because of the last two chapters in which he dealt with great irony with the rise of Christianity. Reactions to Gibbon ' s treatment of Christianity have displayed various phases.

Edward Gibbon - The Decline and Fall | Britannica

We cannot quite make out the titles, they could be anything from D. H. Lawrence ' s Lady Chatterley ' s Lover to Gibbon ' s Decline and Fall of the Roman Empire.

Decline and Fall | Roger M. Kaye | The Blogs

The Decline and Fall is known for the quality and irony of its prose, its use of primary sources, and its open criticism of organised religion. Gibbon returned to England Edward Gibbon (8 May 1737 – 16 January 1794) was an English historian and Member of Parliament.

Spanning thirteen centuries from the age of Trajan to the taking of Constantinople by the Turks, DECLINE & FALL is one of the greatest narratives in European Literature. David Womersley's masterly selection and bridging commentary enables the readerto acquire a general sense of the progress and argument of the whole work and displays the full variety of Gibbon's achievement.

Edited, abridged, and with a critical Foreword by Hans-Friedrich Mueller Introduction by Daniel J. Boorstin Illustrations by Giovanni Battista Piranesi Edward Gibbon ' s masterpiece, which narrates the history of the Roman Empire from the second century A.D. to its collapse in the west in the fifth century and in the east in the fifteenth century, is widely considered the greatest work of history ever written. This abridgment retains the full scope of the original, but in a breadth comparable to a novel. Casual readers now have access to the full sweep of Gibbon ' s narrative, while instructors and students have a volume that can be read in a single term. This unique edition emphasizes elements ignored in all other abridgments—in particular the role of religion in the empire and the rise of Islam.

Recounts the events that led to the fall of the Roman Empire, from the second century A.D. to the fifteenth century A.D.

Originally published: New York: Holt, 1950.

Like England's Charles II, the Ottoman Empire took "an unconscionable time dying." Since the seventeenth century, observers had been predicting the collapse of this so-called Sick Man of Europe, yet it survived all its rivals. As late as 1910, the Ottoman Empire straddled three continents. Unlike the Romanovs, Habsburgs, or Hohenzollerns, the House of Osman, which had allied itself with the Kaiser, was still recognized as an imperial dynasty during the peace conference following World War I. "The Decline and Fall of the Ottoman Empire" offers a provocative view of the empire's decline, from the failure to take Vienna in 1683 to the abolition of the Sultanate by Mustafa Kemal (Ataturk) in 1922 during a revolutionary upsurge in Turkish national pride. The narrative contains instances of violent revolt and bloody reprisals, such as the massacres of Armenians in 1896, and other "ethnic episodes" in Crete and Macedonia. More generally, it emphasizes recurring problems: competition between religious and secular authority; the acceptance or rejection of Western ideas; and the strength or weakness of successive Sultans. The book also highlights the special challenges of the early twentieth century, when railways and oilfields gave new importance to Ottoman lands in the Middle East. Events of the past few years have placed the problems that faced the last Sultans back on the world agenda. The old empire's outposts in the Balkans and in Iraq are still considered trouble spots. Alan Palmer offers considerable insight into the historical roots of many contemporary problems: the Kurdish struggle for survival, the sad continuity of conflict in Lebanon, and the centuries-old Muslim presence in Sarajevo. He also recounts the Ottoman Empire's lingering interests in their oil-rich Libyan provinces. By exploring that legacy over the past three centuries, "The Decline and Fall of the Ottoman Empire" examines a past whose effect on the present may go a long way toward explaining the future. Praise for "The Decline and Fall of the Ottoman Empire" "Alan Palmer writes the sort of history that dons did before 'accessible' became an academic insult. It is cool, rational, scholarly, literate."--John Keegan "A scholarly, readable and balanced history."--"The Independent on Sunday" "A marvellously readable book based on massive research."--Robert Blake

Published between 1776 and 1788, this text is acknowledged as a masterpiece of English historical writing. Covering the history of Europe from the 2nd-century AD, to the fall of Constantinople in 1453, this edition includes footnotes, explanatory comments, and a precis of the chapters not included.

An abridged edition of Edward Gibbon's THE HISTORY OF THE DECLINE AND FALL OF THE ROMAN EMPIRE, which compresses thirteen turbulent centuries into a single epic narrative. Famously sceptical about Christianity, unexpectedly sympathetic to the barbarian invaders and the Byzantine Empire, constantly aware of how political leaders often achieve the exact opposite of what they intend, Gibbon was both alert to the broad pattern of events and the significant revealing detail. Attacked for its enlightened views on politics, sexuality and religion, the first volume was none the less soon to be found 'on every table' and was widely acclaimed for the elegance of its prose. Gripping, powerfully intelligent and wonderfully entertaining, THE HISTORY OF THE DECLINE AND FALL OF THE ROMAN EMPIRE ranks as one of the literary masterpieces of its age.
