Her last memory is reconciling with her husband, Eric Sinclair, after a time-traveling field trip, including an indirect route to hell (literally), with her sister, Laura.

### Undead and Undermined (Undead #10) read online free by ...

Undermined is the 10th book in Davidson's Undead series and left me feeling so let down that I may not read the next installment. Who am I kidding? Of course I'll read the next book, if only to give Davidson a chance to redeem herself. I have enjoyed all 9 of the other books in the series, but Undermined was by far the worst I have seen.

Utterly Disappointing In the beginning I LOVED this series because of the humor and the situations Betsy got herself into. The books were funny but now im sooooo disappointed. Its book 10 and the character show no growth, she still self centered, never listens, and complains constantly.

Ninth in the series, Undead and Unfinished finds Vampire Queen Betsy Taylor slogging her way through the Book of the Dead.When Lucifer offers to give up all the book's secrets, Betsy is intrigued. But there's a catch, of course. For her part of the bargain, Betsy must take her half-sister, Laura, to Hell, so Laura can develop an appreciation for her dark heritage.

All-new in the New York Times bestselling drop-dead funny series. Vampire Queen Betsy Taylor thought she couldn't die. So what's she doing in the morgue? It could have something to do with a time-traveling trip she made, and a foe with a wicked agenda that could finally be the real death of Betsy-if she's not careful.

So this is what being dead feels like. Vampire queen Betsy Taylor has awoken in a Chicago morgue, naked as a corpse. Her last memory is reconciling with her husband, Eric Sinclair, after a time-travelling field trip, including an indirect route to hell (literally), with her sister, Laura. Now she's Jane Doe No. 291, wrapped in plastic with a toe tag. Betsy can't help but wonder, what in hell happened? Grabbing clean scrubs, Betsy hits the pavement and heads back to her St Paul mansion, to find that her friends and family have been frantically searching for her. And not one of them can explain how she ended up dead

and naked - not to mention, in Chicago - until Betsy realises that she and Laura didn't time travel alone. What followed them had a wicked agenda: to kill Betsy in a time when she was still young and vulnerable and end her future reign as queen. But it's not just Betsy's future that's taken an unexpected detour. Everyone in her circle, alive or undead, is feeling the chill. Betsy can't let the unthinkable happen. It would be a cold day in hell if she did.

“MaryJanice Davidson’s Undead series is laugh-out-loud funny.”—Heroes and Heartbreakers New York Times bestselling author MaryJanice Davidson is back. So is Betsy Taylor, “everyone’s favorite vampire queen” (Bitten by Books) and this time Betsy’s going viral... If Betsy Taylor has learned anything about ruling Hell it’s: 1) She can't do it alone, and 2) She doesn't have to. She’s got the help of a devoted vampire king, a dateless zombie, an exhausted new mom, an unshowered cop, a bitchy ghost, a kindly dead priest, and her late stepmother (“Go Team Satan 2.0!”). But the latest major hurdle in her afterlife is so big she can't even see it until it's on YouTube. Betsy’s father and half sister Laura (a former Antichrist with a grudge) have teamed up, for what sinister purpose Betsy can't imagine. The former Antichrist didn't take kindly to getting what she wished for, and has decided that's entirely the fault of the vampire queen. What that means for Betsy is trouble (more than usual, even) and possible exposure to an unsuspecting world. Meanwhile Hell is having a deleterious effect on Betsy's friends (“I didn't think it was possible, but the damned are getting meaner.”), the newly dead are confused about Hell's new rules (“A buddy system? Really?”), and the vampire king is trying to poach on Betsy's territory. Betsy loves her husband, but that's not the same as trusting him. Before long the king and queen of the vampires aren't speaking to each other, the mansion on Summit Avenue is a war zone, and Betsy's getting calls from a werewolf, a mermaid, and worst of all, her mother (“What do you mean you can't babysit?”). No one said life after death would be easy, but c'mon: this is ridiculous.

Vampire queen Betsy Taylor makes a deal with the devil in order to discover the secrets of the Book of the Dead. Just one catch: she and her sister must go to hell to do it. Just long enough to make nice with her mother, aka Lucifer, and take a detour through time...

Vampire queen Betsy Taylor is back—and there’s going to be hell to pay... After her recent trip to hell, Betsy isn't exactly sorry she killed the devil, even though it's put her sister Laura in a damnable position: forced to assume the role of Satan—she may not have the training, but she sure looks great in red—and in charge of billions of souls now that she’s moved up in the world. Or is that down? But Betsy’s in an odd new situation as well—that of being a monarch suddenly in charge of all things earthbound, like her husband, Sinclair, who has gone from relieved to ecstatic to downright reckless now that he can tolerate sunlight. As if that wasn't enough, Betsy and Sinclair’s adopted little BabyJon is finally starting to walk. And if the increasingly unpredictable toddler is anything like his extended family, precisely where he’s headed is anyone’s guess.

First Betsy Taylor loses her job, then she's killed in a car accident. But what really bites is that she can't seem to stay dead. And now her new friends have the ridiculous idea that Betsy is the prophesied vampire queen, and they want her help in overthrowing the most obnoxious power-hungry vampire in five centuries.

Vampire queen Betsy Taylor returns in the outrageous new Undead novel from the New York Times bestselling author of Undead and Unsure. Even with Satan out of the picture and the Antichrist for a sister, Betsy Taylor has had a hard time maintaining "things below." It's not that she's been shirking her hellish obligations. It's just that her earthbound duties are so time-consuming--like a brand-new baby drama involving a pair of uncanny (okay, terrifying) toddler twins. And get this: Betsy's dad, once so very dead, has been spotted in downtown St. Paul. Now amid all this fire-and-brimstone jazz, Betsy's very own flesh and blood have even more surprises in store for the vampire queen. And jolt by jolt, Betsy is soon to discover that there's nothing as heartwarming as family. Yeah, like Hell.

As her birthday approaches, vampire queen Betsy Taylor finds herself playing politics with a group of European vampires who have come to pay their respects and coping with her reluctant fiancée Eric, who is trying to dodge wedding plans.

Betsy Taylor, Queen of the undead, has snagged a dream job in a shoe store (just like a normal person!). But when vampires start getting killed off, Betsy enlists the help of the sexy vampire Sinclair. Now she's really treading dangerous ground-but this time in brand-new high heels.

The New York Times bestselling series. With her wedding fast approaching, cold feet don't come as a surprise to Betsy Taylor-especially with an undead groom. But when her fiancé and most of her loved ones go missing, it's up to Betsy to find them-and whoever is behind the disappearances.
